Composition	100% solution dyed acrylic
Finishing	Water repellent
Treatment	Mold resistant Stain resistant
Biocides	OIT
Yarn	PC 2/34 Nm 2/34 Nm
Construction	30 yarn/cm 15 yarn/cm
Roll Length	60m
Breaking Strength	140 daN/5cm 90 daN/5cm
Tear Strength	3,5 daN 2,5 daN
Water Column	350mm
Spray Test (ISO 24920)	5/5
Oil repellency	5
UV Colour Fastness	7-8/8

CARE AND CLEANING

Remove heavy dirt with running water. Use a soft cloth or brush and avoid abrasive facilities and strong rubbing. Cleaning with IRISUN® APCO FAST CLEANER is recommended.

Do not use aggressive detergents, alkaline or acid substances, oxidizers like hypochlorite or hydrogen peroxide.

For mould removal, white vinegar is advised and then rinse with abundant water. Allow the textile to dry, before rolling up. It is advisable to treat the material periodically with a protective product (IRISUN® APCO PROTECTANT), strengthening the fabric and renovating its water-repellent properties.

APPLICATIONS

Textiles are recommended for retractable awnings, canopies and café barriers.

Also suitable for marine applications.
